TESTIMONIALS

KIND WORDS FROM LOVELY CLIENTS

Dear Lance and Sandra. We cannot thank you enough for all you did to make Rob and Paige's wedding. It was such an awesome day and we all greatly appreciate it. You both worked like slaves to get it ready in time. Wow! Sandra, your attention to detail is amazing; not only with the décor but also all the arrangements and logistics that went into making it such a success. Our memories of the fig tree, Dylan and his service and most of all the reception will last forever. Thank you again.

JOHN

FATHER OF THE BRIDE

We had a beautiful country-inspired wedding, with hay bales, hessian, horseshoes and the BEST Farmgirl Flowers!!!! Our stunning flower arrangements were rich in maroon, orange and red, enhancing the natural beauty of the Country Protea. Farmgirl flowers produced not only fresh breath-taking flowers, but a floral design done with a warm heart that made our wedding day that much more special. Thank you Farmgirl Flowers and thank you Sandra for making our wedding so spectacular.

FAQs

ANSWERS TO COMMON QUESTIONS

01

DO YOU OFFER PACKAGES/PRICE LISTS?

We don't offer packages as each wedding is tailored to each couple's vision. There are so many factors that can influence pricing, so we feel it is misleading to give you a list of prices that may not reflect your final spend. We work closely with you to ensure we are respectful of your proposed budget.

02

WHEN SHOULD I BOOK?

Most couples book a minimum of 6-12 months before their wedding, but we can easily work within a shorter lead time if needed. Your booking is only confirmed once your deposit is paid. After paying your deposit, we can revise details. Final confirmation is around 4 weeks prior to your wedding day.

03

DO YOU HAVE A MINIMUM SPEND?

Yes, for our full floral design service we charge a minimum of R30 000.

04

HOW DO I GET A QUOTE FROM YOU?

The first step in the process is to let us know your wedding date so we can check our availability. If your date is available, we will schedule a consultation with you. A quotation will be created after this consult. If you are in another province or overseas we can do this via video call, Zoom or Skype.
